**Local Dignitaries Enjoy the Passion for Automobiles at the
5th Annual Corona del Mar Coastline Car Classic**

Corona del Mar, CA – This September where the surf meets the turf at Big Corona del Mar State Beach, The Corona del Mar Chamber of Commerce will present an exquisite automotive showcase at the 5th Annual Coastline Car Classic.

Setting the stage amongst the finest vintage automobiles and exotic sports cars will be this year's tribute marque vehicle, "Bentley" in honor of the show's 2008 Presenting Sponsor, Newport Bentley. Sharing the spotlight on center stage will be racing legend John Force, along with KABC Automotive Reporter, Dave Kunz and KPFK Radio Host, Art Gould who will be providing expert commentary at this spectacular judged event.

The Coastline Car Classic is a community affair encompassing automotive collectors throughout Orange County, southern California and beyond. "Where one finds big toys, one can usually find big boys" say Linda Leonhard, President of the Corona del Mar Chamber of Commerce. "We are very proud to share the hobby with supporting dignitaries such as Congressman John Campbell, who will be exhibiting his 1964 Rangoon Red Ford Thunderbird picked from his budding collection of vintage automobiles." Other car enthusiasts and supporting community participants include Newport Beach Mayor, Edward Selich who will be presenting the "Mayor's Award" at the event's closing ceremonies, along with Newport Beach Police Chief Klein and Fire Chief Lewis. The show has a certain flair for attracting Orange County's elite including supporters such as District Attorney, Tony Rackauckas, President &

CEO of Meguiar's Car Care, Barry Meguiar, and Santa Ana Real Estate Mogul & Motorsport racer Michael Harrah.

This year's field of cars includes several unique and prestigious automobiles from some of the finest collections. Visitors will be able to view a selection of cars that have never before been seen in this area and the caliber of these automobiles is exceptional. The field of judged cars includes 14 different classes hand picked by a team of trained judges to arrive at the "Best of Show" by day's end. Other festivities include live entertainment, food and beverages, unique vendor presentations and offers something for the entire family.

This year's benefiting charity is the Pediatric Cancer Research Foundation, supporting the funding for research that has touched the lives of over 250,000 children in the United States alone.

The Coastline Car Classic is open to the public on Sunday, September 7, 2008 from 10AM-4PM at Big Corona del Mar State Park. Admission is \$10 (kids under 12 free). State Beach Parking is \$10 or free shuttles provided. VIP packages are available pre-sale only. For more information (949) 673-4050 or www.CoastlineCarClassic.com
